Your physician may have an economic interest in or business relationship with the company or person who provides the Ancillary Services. You are not obligated to use the provider that your physician refers to. You are free to use any provider you choose.

Research Programs

Your physician may ask if you would like to participate in a clinical trial or other research program. These programs may be sponsored by a drug company or may be part of a government research program. Your physician may be compensated for services rendered in connection with these programs. **You are not obligated to participate in any research program and your permission will be obtained prior to your participating in a program your physician believes may be appropriate for you.**

Please feel free to ask your physician if you have any questions about a particular Ancillary Service or research Program.
